

Wild About Learning

Wild about Learning is a practical and educational outdoor programme run by The Fostering Network. It offers young people aged eight - 11 an opportunity to experience learning through nature in the great outdoors.

The programme uses fun and engaging activities to promote social and emotional wellbeing and academic learning. Communication, teamwork, self-confidence and problem-solving skills are all enhanced, along with building friendships with other children in foster care.

The next scheme in your area is:

Venue: Loughall Country Park

Dates: Saturday 8, 15 and 22 June

Time: 10:00am-1:15pm

Wild about Learning is delivered through the Fostering Attainment and Achievement service.
